Dear dear John -

Yesterday was the
best magic day I have had
for 30 years - !

Something between us gave
me the feeling that a dark
cloud had suddenly blown

away, - and was replaced with
love and understanding and
and a joy of life. -

You are the most charming
mixture of dynamic energy and
gentle sensitivity (Sp.?)

We will save America and
have a wonderful time doing it
a big hug with all my love. John

P.S.
I must explain that
my eyesight is very
weak. Please, forgive
mistakes
